

Premium Hi-Lo Adjustable Bed with Trendelenburg option

We know the value of a
Good Night's Sleep
*and the importance of caring
for loved ones*

Liberty HealthCare's PREMIUM HI-LO with TRENDELENBURG option Adjustable Bed is a highly specialised bed designed for high care patients with special needs. It has a higher raising capacity than the HOMECARE HI-LO and the Trendelenburg function tilts the entire bed forward or backwards to assist with patient care and treatment. It features Linak motors and a high quality steel frame to give you many years of trouble free use.

Featuring:

- 550mm lift capability of Hi-Lo Function (vertical raising and lowering of the bed)
- Trendelenburg option – Forward and Reverse tilt
- Direct Drive and Twin Drive Motors
- Soft Touch Corded Handset
