Bed Accessories - Range

Liberty Healthcare's accessories range boasts an array of items for clinical, comfort, additional safety and cosmetic purposes.

Nothing compliments a bed set from our SLEEP range better than a Liberty HealthCare accessory. From optional accessory items such as Side Grip Handles, Bed Rails and Assistive Technologies, to something that compliments your sleep set like our Hudson Upholstered Head Board, Upholstered Bed Frame Side Panels and Fabric Velcro Skirts.

The Liberty HealthCare Bed Accessories range makes your adjustable bed set fit right into any bedroom setting.

Optional Accessories

Side Grip Handles
(The side grip handles provide a solid holding point for getting in and out of bed)

Mattress Support Bars
(The mattress support bars help to reduce mattress movement)

Bed Rails
(When raised the bed rail is effective at preventing falls from bed. For patient transfers and repositioning the bed rail may be lowered down out of the way)

Bed Rail Covers
(Available in 7 different colours the padded bed rail cover slides over the rail and fastens at the bottom with velcro. Please note, the cover needs to be removed before collapsing of the bed rail)

Memory Topper
(Otherwise known as "memory foam" or, "slow recovery foam")

Backup Battery
(The battery backup provides power to the adjustable bed should the main power supply fail)
