

## Alaska Lift & Recline Chair

The **Alaska Chair** from *Liberty Healthcare* is designed with elegance, comfort, and mobility in mind. Built on a high-quality steel frame and available in either **single or dual motor** versions, the Alaska Chair has the ability to raise you from a seated position to a fully standing position, or relax in a fully reclined position, all at the touch of a button.

The simple to use hand held controller features a raise and recline motion that can stop at any point as the controller is released, ensuring you can position the chair exactly where you need it.
